

Confirmation

LEED v4.1

Eurofins Product Testing A/S has received a sample of paint with the product name Kraft Master Base T tinted with universal colorant. The sample is representative for the product group KRAFT Indoor Air Quality Wall Paints and has been tested in accordance with the relevant ISO 16000, EN 16516, ISO 11890-2 testing standards in the latest versions and has received Indoor Air comfort certification, see Indoor Air Comfort certificate no. IAC-348-01-01-2019.

The product group covers the following product:

Master ECO

supplied by

Druckfarben Hellas S.A.

The Indoor Air Comfort certification indicates that the product qualifies for LEED v4.1 BETA (July 2019) specifications on VOC emissions and VOC content by complying with:

VOC emissions specifications in LEED EQ credit "Low-emitting products":

- The requirements of Option 2 of LEED v4.1 BETA (July 2019) by not exceeding the LCI values mentioned in the German AgBB Testing and Evaluation Scheme (2018), showing an overall R-value below 1 and having a TVOC according to EN 16516 below 0.5 mg/m³ and a formaldehyde emission below 10 µg/m³ after 28 days.

VOC content specifications in LEED EQ credit "Low-emitting products":

- The requirements of the EU Decopaint Directive 2004/42/EC
